PRESIDENT'S CORNER

By Dave Eastburn

Presidents Corner...

Since VP Rob Campbell will talk about the Sheridan Show and the Hershey/Shady Maple road trip in his article, I will say a brief thank you to everyone at Sheridan Ford for another great fall show, all those in the club who helped, and to all of you who came out for our road trip September 25th. We are talking about another road trip in the spring and hope that more of you will join us for our next adventure! Also, thanks to all the club members who met up for breakfast and the trip out to the DCCC car show in Pennsylvania on Sunday, October 17th. This is always a great show, and some club members lucked out; Dave Halliday took a first place trophy for his '72 Mustang Mach 1 and Bob Maas took a 3rd place for his '86 Mustang. Our last club activity of the year is our 2nd annual Pike Creek "Toy Run Cruise," Saturday October 30th from 12:00 - 4:00. As all donations this day will be to benefit the children of A. I. DuPont Hospital, admission to the cruise is ONLY with a new, unwrapped toy of your choice. Please pass these instructions to anyone else you know who might be coming, just to remind them.

While it will be a shorter cruise due to the daylight hours and that we have to deliver the donations later in the evening, Bob Burke will be providing music and Ruby Tuesday's will be providing all their great food as usual, and probably some free hot chocolate and coffee like last year. Just give me those sliders baby!! Anyone wishing to help out please meet up around 11:00 am to help set up, your help will be greatly appreciated. Hope to see you all there.

OUR NOVEMBER MEETING WILL NOT be at Damon's. We will be meeting at Lone Star Steakhouse on Rt. 13, just down the road from Damon's. (113 S. DuPont Highway) This is a trial meeting to see what we think of the restaurant, and we'll make a club decision afterwards. The meeting will be held in the "patio room" to the inside right just past the bar. (It's the glass room you can see from outside) The best part is, there is plenty of room for us to park our cars outside where we can see them. Please park out there to the right when you come to the meeting. Lone Star is offering us free appetizers for our meetings and discounts for dinners and other foods. They have a much more varied menu, and prices are very fair. It's important that we see as many of you as possible on this night to help in making our decision later, so please consider setting time aside on Tuesday, November 2nd at 7:00 to make this meeting. We haven't seen some of you in a while, so come on out! And if the weather is nice, bring the car too!

Lastly from me, November meeting will also be club officers nominations night. Those of you that may wish to help the club by joining our E-board, please consider it. We can always use new ideas, young blood, and fresh faces. Have you *seen* some of our faces? And look, I'm getting older, my memory is starting to go, I'm forgetting names, so if you want to kick, um, I mean *vote* me out, now's the time! Just don't throw things at me in the process, or call me names... We have a great club, and Rob and I have a long list of ideas for 2011, so get involved, get to know us all, you're bound to like *some* of us, really! Hope to see you all soon, at the Toy Run Cruise, and the next meeting, at Lone Star Steakhouse.

VP'S CORNER

By Rob Campbell

What a nice day for our fall car show at Sheridan Ford. We had about 76 cars and the weather was perfect! Everyone seemed to enjoy the truck with all the merchandise on it. We are hoping to have them there again!!

On Sept 25th we had 5 cars travel up to Hershey then over to Shady Maple for the Smorgasbord. You knew it was going to be a fun trip when you see "Santa Clause" walking along route 30 on our way up!! ☺ Heading over to the smorgasbord was great as going on 322 had some great views of the leaves turning colors on both sides of us. It was a great run. The cars were interesting to see and the food was unbelievable! I want more peach cobbler! We do plan on doing it again sometime in February or March.

We have our Toys for Tots cruise next week and hope that we get more toys for the kids then last year. I hope to see everyone there!! I still can't believe that it's the last show of the season....

November we will be at a new meeting spot for our monthly meeting. We will be going to Lonestar steak house on Route 13 across from Sheridan Nissan. We will see if we like it and go from there!! ☺

Also don't forget that this month are nominations for 2011 club officers. So if you want to run you need to put your name in.

Hope to see everyone next Saturday and Pike Creek for our toys for tots cruise and our monthly meeting at Lone Star steak house!
