PRESIDENT'S CORNER

By Dave Eastburn

Get ready! Our fall Sheridan Show is only days away as I write this, and all the club officers are hoping that we will see a great turn out of club members as well as other registrants. Rob, Dave, Tim, Shawn and I encourage all of you to join us on Sunday, October 2nd at Sheridan Ford and make this one of our best shows ever. Trophies are ready, our D.J. is set to go, the dash plaques look great with feature car winner Rob Day's 1982 Fox Mustang in all its restored glory (a great job on this car, Rob!) and the hot dogs, soda and pretzels await your taste buds. We have spoken with the Ford Merchandise Truck people, and are hopeful that they can make the show; at press time there was some conflict with their scheduling of a 3-day show in Texas. If they drop out of that show due to travel constraints, they will be at our show. So keep your fingers crossed, ok? We will be juggling the lot layout around a bit to make more room for the newer amounts of Mustangs that we have been seeing, and that should make a difference. We hope that a few of you will come out

around 7:30 or so to help with any last minute details, that kind of help is always appreciated. We will also be taking Visa and Mastercard at the registration table for payment, so this should help a little too. Thanks to Rob Campbell for all his efforts in bringing this to the club. We will also have club shirts and sweatshirts to sell, so this will help people who may be a little short on cash at the show. Also, for the first time we will be giving a surprise cash award of \$100 to the club with the most registered cars. All in all, we look forward to seeing EVERY CLUB MEMBER who can be there at the show!! Come on First State Mustang & Ford Club, give us your best effort this day and lets show other clubs what we are about. If we have a good weather day, there's no reason that we can't pack the lot at Sheridan!!

We had a great time at the Sept 4th MCA show at Regency Furniture Stadium in Waldorf, Md. While none of us registered cars, it was a fantastic day and what a show. Donald Farr, editor of Mustang Monthly, was there signing copies of his new "Boss 302" book for us and there were 500 Mustangs on the show field - quite a sight, with it being a perfect mixture of classics all the way up to present day. We all agreed the best time of the day was the drive down and back, too! Next was our Sept cruise, and mother nature gave us a break from rain and we had a perfect evening, finally. Thanks to everybody at Ruby Tuesday who work so hard to feed us and put up with the crowds. We are hoping for just two more good days for our October cruise and the Toy Run cruise, both right around the corner. The Holman Ford show on Sept 11th turned out to be a good day also, thanks to South Jersey Mustang Club and all their hard work. Eight of our members made the trip, and four of us won trophies: Dave Halliday, Pam & Jim McCarthy, Tim Narvell and myself...yea, really liking that new '08 Bullitt! You really need to get in on these trips, it's fun starting out with breakfast all

the way to the drive back home. Next time, you might want to..."join us for the ride."
 Irv Klair is recuperating at home. Pam McCarthy is doing well and winning trophies again. Marshall Shays wife has been under the weather, please keep her in your thoughts. And finally, our illustrious super-duper techno-wizard Vice President Rob Campbell spent a few days in the hospital at the beginning of the week but should be up and about by show time on Sunday. Get well Robbie! Now, to all of you out there I plead, I beg, I implore, I asked nicely with sugar...JOIN US SUNDAY AT SHERIDAN!! And then, before you know it, I will see you at the meeting...
